A few words from the Principal.....Zlatko Pear

Goodbye to our Year 12s

Our Year 12 students will complete formal classes next Tuesday. All students will attend an assembly on Wednesday to say goodbye to the Year 12 class and to congratulate them on completing 13 years of school. This will be followed by a catered lunch shared with the staff. The first VCE exam is English which will be held on Wednesday 26th October. Most of the exams will be held at the Ablett Pavilion. The class of 2022 has endured a disrupted two years leading into their final year of school. We recognise their resilience and the whole College community wishes them well. Once the exams are completed we look forward to the Graduation Evening which will be held on Wednesday 16th November.

Tutors for 2023

The State Government recently announced that the Tutor Learning Initiative funding would be extended into next year. This is great news particularly for some of our students who require additional learning support. Tutors will be employed in every Government school to work with small groups of students. They will provide targeted teaching with a particular focus on numeracy and literacy.

2022 No School Days

We have one remaining student free day for this year. This will be on Monday 31st October. Staff will be completing First Aid and CPR training. Tuesday 1st November is the Melbourne Cup Public Holiday

This means that there will be no classes running on these days. Please let me know if you have any concerns or questions.

SPORTING ACHIEVEMENTS IN SOCCER

We would like to Congratulate **Summer Caponecchia** on her outstanding achievement at the recent Albury Wodonga Football Association Presentation Night. Summer was awarded Star Player of the Div1 Women’s age group. Summer achieved 37 votes which was a record, with the next closest player coming in with 21 votes. Summer was also selected to represent FNSW in their Regional State Team which saw her play against the

best from all states in the National Youth Championships in Coffs Harbour in the September school holidays.

Myrtleford Savoy Soccer Club held their Senior Presentation on Saturday. Congratulations to our very own **Mark Bennett** who was awarded the “Frank Mirt Medal” as Best and Fairest for the Div2 Men’s team. It was Mark’s first year with the club so it was fantastic to see him as such a great role model and achieve this honour. Pictured with Mark is Div2 coach Richard Morgan and Doug Mirt –family founder of the award.

UNDER 14 MSSC GIRLS SOCCER TEAM

Our congratulations to the girls that were members of the Under 14 Girls Myrtleford Savoy Soccer Team, that won the AWFA Soccer Grand Final against Albury Hotspurs last month. The girls involved were **Sienna Alam, Hyacinth Sepno, Zali Morgan, Paige Kiss, Kobe Chisholm and Lily Notrianni**. The team was coached by our very own teacher Peter Fullwood. Well done team!

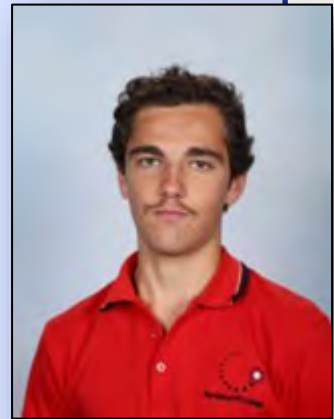

SPORTING ACHIEVEMENTS IN SOCCER

Congratulations to **Tomos Lewis** and **Zane Vardenega** who both received equal Runners up Best and Fairest for the Div2 Men at the recent Myrtleford Savoy Soccer Club Awards evening.

Additionally, **Zane Vardanega** was presented with the Division 2 Men's Golden Boot Award at the recent Albury Wodonga Football Association Presentation Night. The Golden Boot Award is presented to the player with the most goals scored throughout the season in the AWFA League.

SHAE'S VICTORY IN THE NORTH EAST SKATE PARK SERIES

Our congratulations to Shae Wheeler, who was recently advised that he placed 1st overall in the 2021 North East Skate Park Series in the Under 16 Male Skate Division.

Shae entered his first skate competition in the North East Skate Park Series in Myrtleford skateboarding, earning himself a First place in the Under 16s Male skate division. Shae then went on to enter the competitions around the North East of Victoria in the Skate Park Series, placing in first place in each competition in the Under 16s Male skate division.

During Shae's days at the competitions he also won himself a new skateboard deck, a helmet, deck tape along with a few other small prizes. Shae will pursue his passion and plans to attend training sessions in Melbourne over the next school holiday break. Great result Shae!

VOLLEYBALL

Congratulations Ashlee McPherson— Runner up junior Best & Fairest at the recent Myrtleford Volleyball Association Awards.

OVENS AND MITTA SPORT

O&M BASKETBALL

Late in Term 3, the Intermediate Boys Basketball team represented the College at the Ovens and Mitta Basketball Competition. The Myrtleford boys were in the third pool for the day. They had great success in all of their pool games winning them convincingly and made it with ease to the Semi Final. The Semi Final was against Yarrowonga and they took it to Myrtleford straight away. The Myrtleford boys unfortunately were unable to keep Yarrowonga under control and they won the game in the end, which knocked Myrtleford out of finals contention. Well played by all the boys in the team.

Walk, Ride or Scoot to School!!!

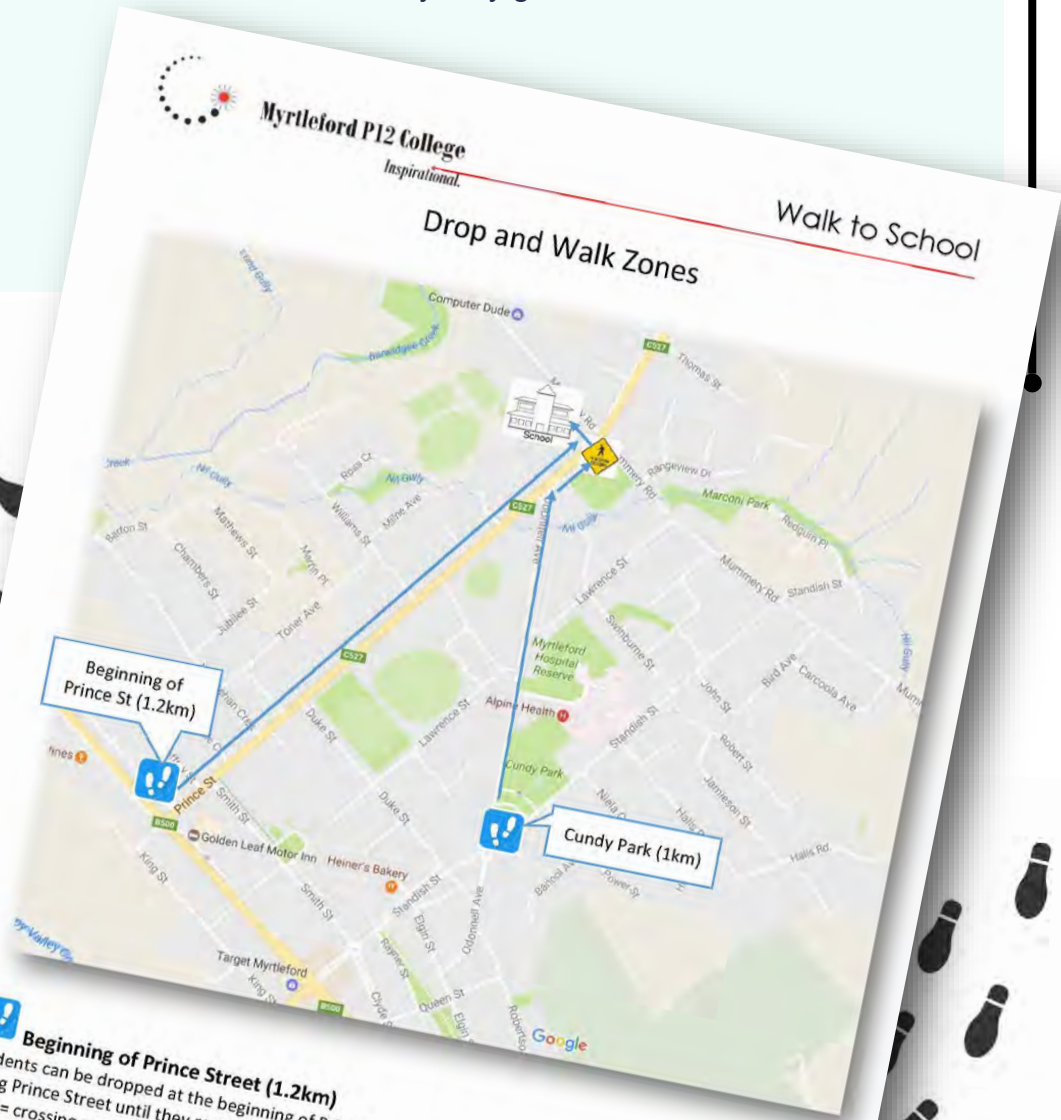

October is Walk to School month and we are encouraging our students to try to be more active as we come out of winter into our beautiful spring weather!

We kicked off this initiative with a Big Breakfast at school on Thursday 13th October with egg and bacon rolls served outside the canteen.

Some suggested 'Drop and Walk Zones' are attached if you would like to help encourage your children to be more active in the way they get to and from school each day.

Mr Lindsay

Beginning of Prince Street (1.2km)
Students can be dropped at the beginning of Prince Street near the Great Alpine Road and walk all the way along Prince Street until they reach the school. Footpath is all the way along the road.
RISK = crossing a couple of side streets

Cundy Park (1km)
Students can be dropped at Cundy Park and walk along O'Donnell Street and then Prince Street to the Pedestrian Crossing. Footpath is all the way along the road.
RISK = Driveways and crossing one side street.

Big Breakfast October 2022

Thursday October 13th saw us host a big special breakfast for Walk to School Month. Egg and bacon rolls were a huge hit along with fruit, milk and juice. It was a bit of a wet morning for it but that didn't stop the enthusiasm of neither helpers nor attendees.

So many people commented on the happy atmosphere. It was a really pleasant way to start the day. Thanks to all those who came to help, lots of staff, and parents Thais Barbisan and Dearne Gaylard.

Cultural Day

On the 7th of October Myrtleford P12 College gathered together to celebrate and take part in a Cultural Appreciation day. Students came together to learn about Aboriginal and Torres Strait Islander Cultures and History. In the morning the whole school gathered under the flag poles to listen to an acknowledgement of country given by Sahara Giles. Our First Nations students were celebrated with a Proud and Deadly award for outstanding work in sharing their knowledge about their cultures.

After the assembly, the Secondary students took part in a literacy class where they discussed the importance of respecting culture and how to write a meaningful acknowledgement of country; whilst the Primary students spent the day moving through an rotations. These rotations included, yarning in art, reading literacy written by indigenous peoples, spotting indigenous plants in land connection, and finally learning how to write their own acknowledgement of country.

The day was a great success and It was so wonderful to see our school community come together to celebrate our First Nations Peoples and Culture.

Today we stand on Dhuduroa Land. We acknowledge both elders past and present and new emerging. We pay our respects to our elders for passing down this beautiful country. This country has so many amazing and precious features such as nature and animals. Animals like the koala, the kangaroo and the kookaburra and there is many more. We also have many more features to acknowledge, such as the beautiful and precious nature we live in; gumtrees, rivers, lakes and many more majestic things in the nature of this country. I am truly proud to be a part of this peaceful land today.

Making string in the Art Room

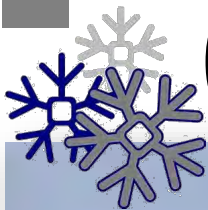

In the Art room the kids all learnt how to make their own string from natural fibres. We watched how string and rope is made by Aboriginal and Torres Strait Islander people for thousands of years from bark and grasses. The handmade string is used to make baskets, fishing nets and jewellery. We sat in a yarning circle and all had a go. Almost everyone got the hang of it and some beautiful necklaces and bracelets were created. We all had so much fun.

OE Hike to Federation Hut

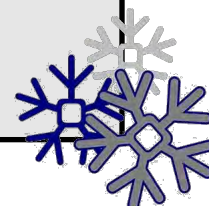

Outdoor Education Studies Camp – Federation Hut

Late in Term 3 the Year 11 OES class undertook an overnight snow camp experience at Federation Hut which is just below Victoria’s second highest mountain, Mount Feathertop. To begin the camp, students had to hike uphill for 10km with all their gear and snowshoes along Bungalow Spur. This was a fair challenge in itself. It took a good 3-4 hours to make it to the final destination which was Federation Hut. The weather

was not on our side so we needed to get up as quick as possible to beat the rain which was coming in sideways as we arrived. Students had to work together when there was

a break in the weather to set up their tents in the snow, which was a first for all of them. We were lucky to have the hut to provide shelter and warmth as the weather was really coming in with very strong wind and overnight was significant snow fall, about 30cm of fresh snow by the time we woke up. The students got to appreciate how conditions can be so harsh and extreme in these environments and how the need for appropriate gear and knowledge is important when travelling in this type of environment.

All the students enjoyed a nice snow shoe on the way back down Bungalow Spur, due to the fresh snow overnight, students were able to travel for a few kms through the snow before we hit the snowline again and had to take the snowshoes off. This was truly a unique opportunity for many of the students who have never been in this situation before.

FUTURE MAKERS CAMP Preparation Day

Late last term, teachers from 15 Mile Creek Camp visited Year 9 students to give them some insight about their 2 week Future Makers Camp in Term 4. Students were given some information on what to expect while they are at camp, they played some

team games, found out what to pack, how to set up the tents, use the portable stoves and got to begin making the paddle they will use for their journey.

It was a fantastic introduction and we are all feeling excited about the trip!!

Laura Scopel

Talking art with Mrs Craftwright

Crafty took over for the last staff meeting of last term with the teachers all meeting in the Art Room for a 'Play with Clay'. Everyone had so much fun and each staff member created their own wonderful mug using lots of new skills and techniques. It

was a lovely way to celebrate the end of a busy term with teachers having the chance to relax and have some fun.

The masterpieces air dried over the holidays and will go into the kiln this week for their bisque firing. Next step will be for the staff to glaze their mugs before their last firing. I look forward to seeing teachers with their hand made mugs with positive messages printed inside all over the school.

I was very proud of all of my student's efforts. Great work team!

MYRTLEFORD SHOW INFORMATION

Also

The Myrtleford Show is back on again and I am very excited to be able to exhibit the kid's amazing artwork to the wider community again. Each student is able to enter one piece of art in the show in the category of their choice. The categories have changed slightly this year so please have a look at the new schedule below. Many students will select a piece that is already at school, but if they have something they have taken home it needs to be bought back to school and with them to their next art lesson by Wednesday 19th October as I will be setting up the display on Thursday ready for judging on Friday. Also, please feel free to enter into other categories yourselves. There are lots more than just the Junior Art & Craft exhibition.

Alpine L2P is looking for learners!

Did you know, the Alpine L2P Program just celebrated more than 10 years of delivery and we are proud of the fact we have supported 128 learners to get their P plates.

Over the last 3 years, our L2P program has faced some challenges, from bushfires to a pandemic, causing a suspension of the program, retirement of mentors and learners found other ways to get their hours.

In the past 6 months, Alpine L2P have focused on increasing our mentor numbers across the Shire, so we can support more youth the get their P plates. That focus has paid off and we now have 10 additional mentors, so we are now looking for learners.

So, if you are having trouble getting your 120 hours and need some assistance, this is the program for you. There is eligibility requirements but we look at each learner on an individual basis, so just ask.

Contact the L2P Coordinator at L2P@alpineshire.vic.gov.au or complete the online application form at <https://www.alpineshire.vic.gov.au/residents/children-and-youth/youth> and we will be in touch.
