## A few words from the Principal.....Zlatko Pear

### Graduating Year 6 Class

A special assembly was held this morning to acknowledge and celebrate our year 6 students who graduate from primary school this year. It was great to see so many parents/careers/relatives attending in support of the occasion. The students were thrilled to have you there. Students were presented with a certificate and a special gift. I look forward to seeing them progress through secondary school and watching them grow in to mature young adults.

### Orientation Day

Tuesday 13<sup>th</sup> December is the state-wide orientation day. This is always an exciting day with students across the school 'stepped-up' to their 2023 classes. We looking forward to welcoming all our new students and their families to the Myrtleford P12 College community. This will be the last in a series of transition days for our 2023 Prep students who will spend most of the day in class with their new classmates and teacher. I get the sense that they are very excited and are looking forward to school starting next year.

### Year 7 – 12 awards evening

A reminder that the annual Year 7 – 12 awards evening will take place on Wednesday 14<sup>th</sup> Wednesday MPAC. This will be fantastic event showcasing and celebrating student academic achievement. A reminder that students in years 7 to 11 must wear full school uniform. The evening starts at 7:00pm, we look forward to seeing you there.

### Last day of school.

A reminder, that the last day of school for the year will be **Tuesday 20<sup>th</sup> December**. On that day students will be **dismissed from school at 1:00pm**. Buses will arrive at school at that time to take students home. Classes for 2023 will commence Monday 30<sup>th</sup> of January.

## MR PEAR'S 10-YEAR (+1) ACKNOWLEDGEMENT

On Thursday morning we had a quick gathering at the flagpoles to acknowledge Mr Pear's 11th year as Principal at MP12 (we missed his 10-year one...)

Ren Pitman (School Council) presented him with some nice chocolates (which he gave to the Preps to enjoy).

signed cards from all the P-12 students and a box of seeds to plant in his honour.

The seeds are for a Pear tree.

Congratulations, Mr Pear!

SRC members enjoying a pizza lunch as part of the end of year celebrations. The students meet frequently during the year to discuss ways to improve the school.

# WILD ACTION ZOO INCURSION

Prep– Year 2 students were treated to a **Wild Action** incursion recently. In this one-hour interactive workshop students were introduced to the amazing World of Australian Animals!

Chris Humphrey shared his love of animals and students had an opportunity to hold some of them! Chris also donated a copy of his book to the library “Awesome Australian Animals” Thanks Chris, the students had a fabulous time!

## Reflections from 1C

### Charlii

The joey wallaby was in the mother’s pouch. She kicked it out so Jackson is looking after it.  
I like the pygmy possum because it lives in the snow.

**Ari**  
I saw a turtle. It has a shell on its back. It can use its strong neck to lift itself if it gets upside down. It has a long neck. Its neck is really strong. It is a good swimmer, but it is slow. Its nose is almost on the head.

### Max

We look after pythons by not chopping down trees. We don’t chop down trees because the pythons won’t live. The lace monitors climb trees and eat the poisonous snakes for their breakfast.

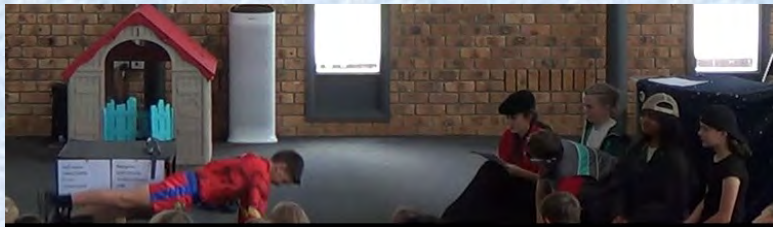

# Repugnant by 5BC

The Year 5BC class performed the play "Repugnant" this week to the Prep, Year 1, 2 and 3 classes. It took the form of a rehearsal of the play as the students read from a script and took stage directions. The students have had so much fun organising costumes and props! The audience were entertained, with many laughs throughout the play. Well done 5BC! *Ms Crawford*

## HEALTH CORNER...with Adolescent Health Nurse Rosemary Bunge

**The Lodge** -Another wonderful visit to Myrtleford Lodge to continue our awesome Intergenerational Learning Program, this time with Ms Poyner's Grade 3 class. The students danced for the residents and shared a worksheet with them. So many residents joined in to watch the children, they were so very happy to have us visit. We had a lovely interactive morning the residents loved the dancing and looking at the students work. There were smiles all round. The students were excitedly talking about their experiences on the way back to school and keen to plan their next visit.

**Holiday breakfast boxes** a quick reminder if you would like a holiday breakfast box for the family to enjoy, please let me know straight away at [Rosemary.Bunge@education.vic.gov.au](mailto:Rosemary.Bunge@education.vic.gov.au) or on 0438 710 584.

# Year 3 at the Lodge

On Thursday 24th, Year 3 had a lovely visit to the Myrtleford Lodge. Here are some photos from the visit. The students shared their work and did their end of year celebration night dance "Best Night" for them. They had a blast. It was a very positive experience for all involved.

# Poetry in Year 5/6RF

Year 5/6RF have been learning to write poetry. These poems are inspired by nature and our beautiful surroundings that we are privileged to learn in.

## Pear

I had a bear he had no hair,  
He didn't like to share his juicy pear.  
He didn't care,  
how it smelled like a wet dog.  
he didn't care,  
if it tasted like a century old egg.  
he didn't want to share  
his rotten squishy old pear.  
Beware of the bear and his  
scrumptious pear.

Nia Lewis.

## The summer.

As the berrys so-  
Pungent with sour and sweetness.  
They burst with flavour and fruityness.  
As the summer glows the wardling chickens thy glow-  
And grow.  
Big and healthy.

So summer is,  
Glowing so ever nice- nay beautiful as,  
The trees with verdant leaves glow and dance in the  
Wind.

FIN  
Connor Jay Dyball.

I hear the birds chirp while the grass grows,  
the dirt deepens as the flowers flourish.  
I see the bees, living next to a tree,  
while the ants dig a tunnel that goes very deep.  
I taste the hard work that went into this honey,  
compared to our version that's made to make money.  
I smell the fresh air made by the trees,  
as they're being cut down right to their knees.  
I touch the rough texture that comes from a plant,  
only to get a prick, as it was from the sand.  
I sit outside, with life on my mind  
and I say to myself...

## "Nature Is Nice,"

A poetry piece By Liam Hynes  
and no, that wasn't supposed to rhyme.

# Talking art with Mrs Craftwright

The Year 8 students came to visit the Preps to share the wonderful picture story books they had written about Being Resilient. The Preps adored spending time with the older students and enjoyed listening to their wonderful stories in the sunshine and looking at the illustrations. It was clear from their drawing abilities that they must have had a wonderful Art teacher in their primary days!

Thanks for visiting Year 8s and sharing your great work.

# In the Trade Training Centre... with Mr Murray

## YEAR 7 DESIGN & TECHNOLOGY

The latest year 7 Pine Racer Derby has been run and won for another semester. This time around students had to design their own wheels using a computer aided design program called Tinkercad. The 3D printer got a fair workout printing all the wheels and the student's adornments for their racers.

There is usually a prize for best presented and the fastest car.

This class really brought their A game, it was such a hard decision on who's was the best presented that they were all given a prize.

The fastest racer of the day was Noah Robb with his Sonic the Hedgehog inspired build, followed by Sienna Schell and a close third was Isobel Branagan.

## Information for families

The Australian Federal Police through the [Australian Centre to Counter Child Exploitation](https://accce.gov.au) is seeing a concerning global trend of teenage males being targeted to send explicit images of themselves and then blackmailed. This is called sexual extortion, or sextortion.

The AFP is urging families to have important safety conversations ahead of the school holidays to prevent young people from becoming victim. This crime can have serious wellbeing and psychological impacts.

### How does sextortion start?

- Unsolicited friend and follow requests on social media
- Direct messages on one app and then being asked to keep chatting on a secondary app
- Conversations suddenly and quickly becoming sexualised
- Requests for sexualised images or content.

### What can families do?

- Have open and regular conversations about your child's online activities and interactions

- Know what platforms, apps and games they are using and who they are interacting with
- Remain open and approachable, victims will be reluctant to come forward if they feel they will be punished or blamed
- Ensure your child knows that it is okay to leave conversations if they feel uncomfortable or unsafe
- Support your child and know how to respond. The [Online blackmail and sexual extortion response kit](https://accce.gov.au/resources/online-blackmail-and-sexual-extortion-response-kit) has been created to recognise sextortion and get help.

The Australian Centre to Counter Child Exploitation is here to keep young people safe from online sexual exploitation and abuse.

## Myrtleford Outer School Hours Care (OSHC)

### About our service:

Myrtleford Outside School Hours Care provides care after school and during the school holidays. We also provide care during pupil free days (subject to demand).

Our aim is to provide a safe, caring, happy environment, where the children feel at home.

Our service operates from the portable building, within the St Mary's primary school grounds. Our building has two rooms, the main room is for art/craft, home corner, sensory space, board games, construction and STEM. The second room is the quiet space, where the children can relax and read a book, listen to audio books with headphones or watch a movie after a long day at school.

We have access to the school oval, playground and basketball court.

The children are involved with program planning for OSHC and vacation care. Their ideas are an important part of our service.

We highly value our relationships with families, and we will collaborate with families about aspects of the program and service delivery.

An afternoon snack is provided and a water station is available daily.

### Operating hours:

#### OSHC:

3:20pm – 6pm Monday to Friday (excluding public holidays).

#### Vacation Care:

8am – 6pm Monday to Friday (excluding public holidays).

### For enrolments please contact:

Hi Everyone,

If you have not been at school for more than 4 years you might not have heard of Friends of Lacluta. We are a local group that tries to help the people of Timor Leste, a small country just north of Darwin.

COVID has meant that we have not been able to visit the people of Lacluta in Timor Leste since 2018.

This year, in October, we had a group of 4 members go across and meet with the people of Lacluta again, preschool, primary and secondary children as well as the adults. That was exciting!

Because they do not have reliable internet or even computers or phones, it was difficult for many students to work from home during COVID. This means that they have dropped even further behind than they would have been if working in their very basic schools.

**We would like to be able to help them get going again and hope you can help us.**

**At the end of your school year, if you do not need them, perhaps you might donate maths equipment such as rulers, protractors, calculators, compasses and pens, pencils and easers that are still in good condition.**

There will be cartons at the School Office where you can leave these things.  
(The photo shows Year 1 students learning to use the toothbrushes we gave them.)

We hope that you can again help us to help the students of Lacluta.

Thank you

Barbara Broz
