## A few words from the Principal.....Zlatko Pear

### Exchange Students

We are very excited to have two exchange students join our school this term. Soren started with us this week. Soren is from Hillerod in Denmark. He joins our Year 10 cohort and will be with us for 12 months. Soren is keen to get immersed into the Myrtleford community. If you see Soren at school or in town, please say hello.

Viktoria will start with us next week and we will introduce her in the next newsletter.

### Canteen Closure

The school canteen will be closed from Thursday 3<sup>rd</sup> August and will reopen on Monday 28<sup>th</sup> August. This means that students will need to bring lunch and snacks from home during this period. We apologise for any inconvenience this may cause. Please let me know if you have any questions.

### Non-School days

There will be two non – school days this term. The first of these will be next **Wednesday 2<sup>nd</sup> August** (Week 4). Students who study a VCE subject at Marian College will be expected to attend these classes as normal. School buses will operate on this day. The second non-school day for the term will be on **Wednesday 6<sup>th</sup> September** (Week 9).

### Admin Site

The Administration Team walked through the new Admin Building last week, to check details around power points, data points, desk locations, etc.

**Myrtleford P12 College is a Child Safe School.**  
 All our Child Safe policies can be accessed on the College website.  
<http://www.myrtlefordp12.vic.edu.au>

## HEALTH CORNER...with School Nurse Rosemary Bunge

### Staff Blood Bank Donations and Dinner

On Thursday July 27<sup>th</sup> a few staff headed to Wangaratta to donate blood and to have a social catch up afterwards for dinner. We were joined by former teacher at Myrtleford P12 College, Inga Hanover and our Primary School Nurse, Sue Anglim.

Thinking about donating blood? With three blood donations needed every minute, your blood really matters. Giving blood is such a rewarding thing to do and all it takes is a little of your time. Did you know 1 in 3 people will need blood products in their lifetime but only 1 in 30 donate. Each donation can help up to 3 people.

Our closest blood donor centre is Wangaratta. If you would like to donate or find out more information please call 13 14 95 or visit <https://www.lifeblood.com.au/blood> .

**Quote for the week:** When you give blood, you're more than just a donor. You're the Lifeblood of Australia.

I'm at Myrtleford P12 College on Mondays and Tuesdays each week. I can be contacted by email [Rosemary.Bunge@education.vic.gov.au](mailto:Rosemary.Bunge@education.vic.gov.au) or on 0438 710 584.

....Rosemary

# CANTEEN CLOSURE

Please note that the canteen will be **CLOSED** during the period 3rd-25th August

Students will need to bring their own lunches on the days the canteen is closed. The canteen will re-open on Monday 28th August

## FUSSY EATERS

### FACTS ABOUT FUSSY EATERS

- Fussy eating is part of children's development. It's a way of exploring their environment, asserting their independence and regulating their appetite.
- Children's appetites fluctuate depending on how much they're growing and how active they are.
- Most children go through a stage of fussy eating.
- Children may dislike the taste, shape, colour or texture of particular foods.
- Children can change their food likes and dislikes from day to day.
- As most children age, they become less fussy with their food.
- Children have different taste preference.

### 10 TIPS FOR FUSSY EATERS

1. Make mealtimes happy, regular and social occasions.
2. Don't force your child to try a food.
3. When trying foods, start with small amounts.
4. Praise and encourage good behaviour.
5. If your child is fussing about the food, do not give them attention.
6. Make healthy foods fun through different shapes, colours and textures.
7. Involve your children in preparing family meals & let them make choices within a range of healthy foods.
8. Keep offering new foods on different occasions. A child may turn down a food 15 - 20 times before accepting it.
9. When introducing unfamiliar foods, serve with familiar foods that your child likes.
10. Minimise distractions during meal time.

## BREAKFAST CLUB

Monday 8.30am in the Canteen  
 Tuesday toasties at recess in SLA  
 Friday 8.30am in the Canteen

## HOW TO MAKE FOOD FUN FOR KIDS!

### MAKE IT COLOURFUL

Add a variety of different colours & textures to the meal by including a range of fruits and vegetables

### PLAY WITH SHAPES

Use cookie cutters to create different shapes and patterns

### MYSTERY MEALS

Introduce new foods in a fun and exciting way such as Mystery Monday's.

### INVOLVE THEM

Involve kids in the entire cooking process from deciding on a recipe, to shopping for ingredients, to building the meal to eating it!

### CHANGE IT UP

Change the way you use and prepare ingredients within a meal.

### MAKE THE UNHEALTHY HEALTHY!

Opt for healthier alternatives or substitutions within meals such as sugar-free, baked or air-fried, reduced salt.

## PROTECT

Everyone has the right to be safe and be protected from abuse.

No one should behave in a way that makes you feel unsafe or afraid, including anyone in your family, anyone at school or anywhere else in the community.

Tell a teacher or any adult at your school if you feel unsafe.

It's everyone's responsibility.

Adults at school must listen and respond to concerns about child abuse.

If you suspect abuse of any child or young person, you have a responsibility to report it, even if you are not sure.

# COLLEGE NEWS

We are excited to be taking part in Jeans for Genes this year on **Friday 11th August**. We encourage everyone to join us - wear your jeans and donate or visit [JeansForGenes.org.au](http://JeansForGenes.org.au) to buy some of their awesome products or get some great ideas to raise money to help find treatments and cures for kids with genetic diseases.

All money raised funds the vital work being done in the labs at Children's Medical Research Institute to help the 1 in 20 children living with a genetic disease or birth defect. That's one in every classroom!

If you want to find out more visit [Jeans for Genes Australia](http://Jeans for Genes Australia)

## MP12 PARENTS' CLUB ANNUAL PIE DRIVE

ORDERS CLOSE STRICTLY WED AUG 2<sup>ND</sup>, DELIVERED TO SCHOOL THURS AUG 10<sup>TH</sup>

Welcome to this year's Heiner's Bakery Pie Drive. Please find the order form overleaf.

We are running the collection of forms and money a little differently this year.

To start, as in previous years, use the order form to collect orders from family and friends; don't forget to include your own order.

Once you have collected all your orders, add up the totals of each item, head on over to the Heiner's Bakery website, [www.heinersbakery.com.au](http://www.heinersbakery.com.au), select Community Pie Drives, then Myrtleford P12 College and input your name, email, phone and totals for each of the items ordered. You should then receive confirmation of your order by email.

You will then need to pay for your total order either by sending cash into the school office with the same name and contact details as per your online order, or paying by EFT at the school office.

YOU KEEP YOUR ORDER FORM, so you know who to distribute your orders to.

Pick up will occur on Thursday August 10<sup>th</sup> from the School Canteen. Time to be advised closer to the day.

Order form attached to the end of this newsletter

# Hume Badminton

Myrtleford P12 College recently had two teams compete at Hume Region for Badminton, having successfully qualified at Ovens and Mitta level at the end of Term 2. Both the Intermediate Boys and Girls finished third in their pool on the day, winning one round each. The level of competition was very high and all the students enjoyed some great rallies and pushing their skills at this next level of competition. They all represented the school values really well, and a great day out was had. Well done to everyone involved!

*Mr Bennett*

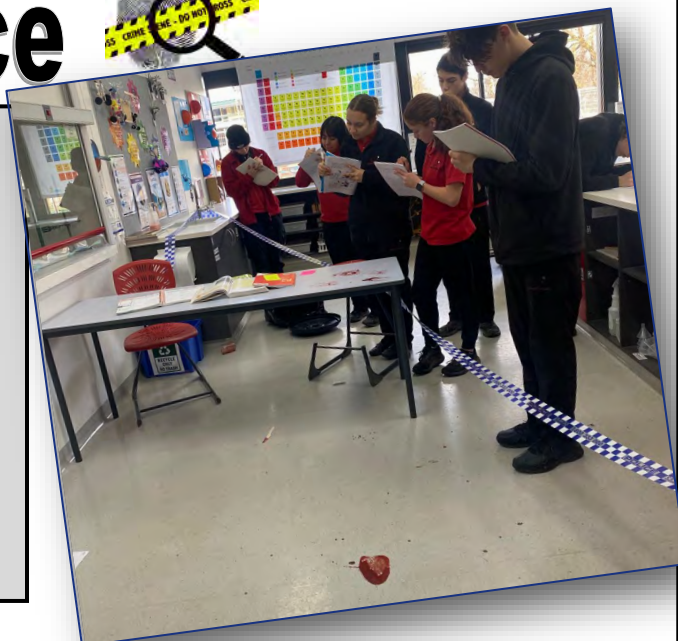

# Forensic Science

## 9-10 Forensic Science

The first couple of weeks of the new elective, Forensic Science, have seen students learn about observations, eyewitness testimony and the ways in which memories form. We have investigated a mock "crime scene" and learnt how to make careful observations – without jumping to conclusions too quickly. We have also learnt that memories form using fragments of what we see, and our brain then fills in the gaps, in order to form a memory. This can be problematic during eyewitness testimony if careful steps are not taken during this process.

*Ms Vlahandreas*

## Library News

### BOOK WEEK 21st-25th August

Preparations for the upcoming Book Week celebrations have started in the library. During Book Week we celebrate books, reading and Australian authors and illustrators. Classroom teachers create colourful displays, develop activities and tell stories related to a theme, all highlighting the importance of reading. This year's theme is *Read, Grow, Inspire*.

Here in the library we will display the Children's Book Council Book Award books that have been shortlisted in six different categories. There will be activities and craft and wonderful displays developed in collaboration with the students. More details about what's happening during Book Week will go out in this newsletter and on Class Dojo.

If you'd like to see some information on the CBCA Books, please visit our library News page on the link below.

<https://myrtlefordp12.functionalsolutions.com.au//SmartLibraryWeb/SmartSuite.html?PageName=HomePage1>

**Unfortunately there are many books that have not been returned and are now overdue. Please help us maintain our library resources by assisting your children to return their library books.**

Remember, students in Years 3-12 can view their current loans by logging into our library system using their school log on details. Please head to <https://myrtlefordp12.functionalsolutions.com.au>

For students in Years Prep-2, please contact me via email [kathleen.morgan@education.vic.gov.au](mailto:kathleen.morgan@education.vic.gov.au) if you need to know whether your student has current or overdue loans.

....Mrs Morgan

# Year 10 at the Melbourne Museum

In Week 3 the Year 10 cohort went to the Melbourne Museum for an excursion. They participated in the "Exploring Deep Time to Shape a Better Future" exhibit as part of their study of Humanities. They observed exhibits, developed questions, explored researched and examined evidence. A great day was had by all!

## MISSION AUSTRALIA YOUTH SURVEY 2023

If you're 15-19 years old, living in Australia and want to have a say about the things that affect you, here is your chance!

Mission Australia's Youth Survey is the largest of its kind in Australia, conducted annually since 2002. The survey aims to identify the values and concerns of young people. It is used by Government, academics and communities to develop policies and programs for young Australians.

Please complete online before 11 August 2023 at [missionaustralia.com.au/youthsurvey](http://missionaustralia.com.au/youthsurvey)

Code: 28002

## AUDIO VISUAL TRAINING

## Have you heard of the TAC L2P Program?

The program matches **learner drivers** and **volunteer mentors** together so learners who are struggling to get their supervised hours, can be supported to successfully pass their driving test and gain their **P** plates.

In the past 12 years, the program has supported 130+ Alpine Shire youth to get their licence by providing lessons and driving practice in a community sponsored vehicle.

So, if you **need assistance** or you would like to **assist someone else** to get their licence, contact us for more information.

Learners and volunteer mentors alike can speak to the L2P Coordinator on 03 5755 0555 or email [info@alpineshire.vic.gov.au](mailto:info@alpineshire.vic.gov.au)
