A few words from the Principal.....Zlatko Pear

Invite to participate in Parent Forum

Every four years, schools are required by the Department of Education to undertake a review. A part of this review is a self-evaluation of our goals, targets and achievements over the four previous years. This will lead to the identification of areas for improvement and futures goals for our 2024 – 2027 Strategic Plan. It is important to have as many people and opinions as possible represented in the self-evaluation. You will have several opportunities to be a part of this process. The first of these will be a **Parent Forum held on Thursday 8th June at 10:00am** in the staffroom next to the general office. This is a great opportunity to have input into the future direction of the College. If you would like to participate in an informal discussion about the things you think the school does well, what could be improved and how we might work together to achieve this, please join us. Please contact me at the College if you have any questions concerning the self-evaluation.

Year 11 Exams

Unit 1 exams will take place next week on Tuesday 6th – Friday 9th June. The exams will be held at the LG Ablett Pavilion and supervised by external supervisors. Students in Year 10 who are studying a Unit 1 class will also sit the exams. Classes will run as normal on Monday. Unit 1 classes will not run during the examination period.

No classes – Wednesday 7th June

A reminder that Wednesday June 7th will be a report writing day for teachers. This means that classes will not be running on that day.

Myrtleford P12 College is a Child Safe School.

All our Child Safe policies can be accessed on the College website.

Around the College...

Crafty was surprised to find three beautiful peacocks playing peacefully around the Junior School while on yard duty. Their tail feathers looked magnificent!

Garcia Zanetti competed in the 12/13 Boys State Tennis Championships at Dendy Park in Brighton on Monday May 22. He came 7th in the state, a fantastic achievement for a country kid from Myrtleford!

After a terrific effort in the State School Swimming Championships, Taleah Elkington has made the Victorian School State team for swimming. She will compete later in the year.

VCE and VCE VM Information

There will be two Year 10 into Year 11- VCE and VCEVM events during the last week of term.

Student and Parent Pathways

Presentation for parents and students which will outline VCE and VCE VM pathways.

Tuesday 20th June 6.30 pm
MPR

Please contact Mrs Milford for more information

Student and Parent Information Session

Students and parents (if available) have the opportunity to speak to VCE and VCEVM teachers about different classes and courses which will assist families in making decisions regarding options for 2024. Students will be asked to make preliminary decisions early in Term 3.

Wednesday 21st June

VCE and VCE VM 'Expo' held during periods 5 and 6 in the MPR.

Around the College...

Myrtleford P-12 College

Congratulations!!

From the Trade Training Centre...

As part of the 9/10 Design and Technology class collaborative construction project, the students have been hard at work out the back of the Trade Training Centre, building the new school veggie garden. Keeping with a familiar theme, the sleepers are recycled from the old veggie garden. Students have been learning how to use a laser level, string line, spirit level and the important part, digging holes. Any donations of straw bales, or topsoil would be gladly accepted and appreciated.

Andrew Murray

Year 12 Chemistry

In Year 12 Chemistry we grew tin crystals using electricity. Metal ions in a solution react with electrons to form solid metal. This process is called “electrolysis” and is the same method used to electroplate objects such as ‘tin’ cans and gold plated jewellery.

Ms Mitchell

Games Day at St Mary's

During Mental Health Week, Prep-6 students enjoyed playing yard games with students from St Mary's.

Year 7A Poetry and Raps

My bedroom Window

The summer heat hitting me like a bullet
 As I look out of my bedroom window
 I see cars crawling past
 Waiting for someone to show up
 I feel the warmth of my cup
 As I take a sip
 I taste the tea hitting the back of my
 throat

Waiting and waiting for someone to take
 me
 From my room from my home
 And take me somewhere special
 To fill my mind to fill my heart
 With warmth and love
 I hear a voice I hear a sound
 Calling me

I smell the sweet smell of the air
 As I drift off
 I don't know where I don't know how
 But as I wait and wait
 I lay my head on my pillow
 And I shut my eyes.
 I feel lost looking out of my window.

Rap from Jock Allan The Rap Monkey

Yo this monkey.
 He spitting some bars.
 Acting up like he was heading to Mars.
 He saw a grape in some jars.
 If they keep eating my food then I might just cry.
 So he went to his car.
 And he opened the door.
 And he saw a bar.
 And he was like whaaaat.

So this monkey he's not.
 Just an ordinary monkey.
 He's the best monkey.
 Let's hit it again.
 Yo this monkey.
 He spitting some bars.
 Acting up like he was heading to Mars.
 He saw a grape in some jars.
 If they keep eating my food.
 Then I might just cry.

So he went to Texas.
 And ate some breakfast ate it up like.
 He was eating a brisket.
 Then he took a flight to New York.
 Where he found a guy having a picnic.
 The guy said whoa there's a monkey.
 Then the monkey said whoa look at that guy.

The Only Bell

Night falls across the land
 The need for the bell in high demand
 The bell a guardian for all lost souls
 The bell tolls, tolls, tolls
 A light, its partner, its consort, its soulmate
 Many glare at the bell in hate
 As wild winds whip the bell
 It looks over the salty abyss, watching and waiting

It's residing place bashed and battered
 From wood and metal shattered
 It's melancholy song, sad and alone
 Its view the great unknown
 Like a beacon in the night
 Though dormant in the light
 The bell shall ring to deepest of places
 To the many lost and disfigured faces

Though the people will grow old
 And the silence will never waver
 The bell will ring for all to hear
 And though it's work is never done
 As dawn peeks it's merry eyes above the cliffs
 The bell will sleep and rest
 For its job is never done

Talking About Careers ...with Danielle Caponecchia

Careers Newsletter

The Careers newsletter is jam packed full of the latest careers news from around the state. It has updates from universities and other institutions. Scholarship, job vacancies, career pathway information and so much more.

I encourage both students and parents to take the time to read this. To access the newsletter go to <https://myrtlefordp12careers.com/> or type in myrtlefordp12careers.com

Click on the Careers Newsletter in the drop down box under the 'IMPORTANT INFO' tab on the top row. From there you will see the latest newsletters from the past 6 weeks. Click on the top one for the most recent.

Newsletters will go onto the portal every fortnight on Wednesdays.

Please feel free to contact me with any queries or questions.

CONSTRUCTION INDUCTION COURSE

On Thursday 11th May, students were lucky enough to complete the Construction Induction Course (White Card). A White card allows people to enter and work on a construction site safely.

A big thanks to The Alpine Shire for subsidising the cost to allow the students not only to complete the course but also arranging '1 Stop Driving School' to deliver the course on campus.

Students involved in the training were :

Taylah Geddes, Kade Feltrin, Toby Clifford, Declan Tanner, Harlan Mirt, Shae Wheeler, Jock Pascoe, Callum Hines, Bayden Heywood, Sam Crisp & Cooper Howden

Danielle Caponecchia

Talking art with Mrs Craftwright

LOTS OF LOVELY LINES

Grade 1 and 2 students had so much fun this week in the Art room practicing their paper folding techniques. They took strips of colourful paper and used different folds to create CURVED, ZIG ZAG, SWIRLY, CIRCLE, CASTLE and LOOPY lines. They then learnt how to create 'feet' to stick down each paper line to create a 3D paper sculpture. We noticed that they make different shapes when you look at the

sculptures from different angles.

You can check these out for yourself - they are on display out the front of the Art Room.

Library News

Book Fair

The 2023 Book Fair is planned for 7th and 8th May. This year's theme is *Bookaneer Book fair– Where books are treasure!*

Monday and Tuesday

Students will have the opportunity to browse through the books at the Fair and make up a wish list for purchase. The wish list will go home with the students, so they can discuss the books with their parents/carers. Instructions for On-line orders will be on the leaflet going home.

Thursday and Friday

The Book Fair is open for collecting on-line orders and buying items. We will have options for both cash and EFTPOS. For on-line orders, students will need to present their wish list slip, which has the receipt number written on the back.

The Book Fair items for sale include books, packs, craft kits, diaries, stationary and posters. Please note: Posters, stationary items such as pens, rubbers and sharpeners cannot be ordered on-line. There is limited supply that need to be purchased from the Fair. These items start from \$1.

Parents, carers and family members are welcome to attend and purchase from the Fair.

Every dollar earns resources for the school. Just like Book Club, when families purchase from the Book Fair, the College earns resources for the students. Our students really appreciate the items that are put straight into the classroom for their benefit.

PROTECT

Everyone has the right to be safe and be protected from abuse.

No one should behave in a way that makes you feel unsafe or afraid, including anyone in your family, anyone at school or anywhere else in the community.

Tell a teacher or any adult at your school if you feel unsafe.

It's everyone's responsibility.

Adults at school must listen and respond to concerns about child abuse.

If you suspect abuse of any child or young person, you have a responsibility to report it, even if you are not sure.

Three Point Coaching - a private basketball program for young athletes developing and enhancing their skills in basketball from ages 6-14. Offering opportunities to extend their passion further than just game day but what happens behind the scenes. Providing a balance from the fundamentals to improving strength, conditioning and skill set as well as extending a player's knowledge Starts with passion, improves with persistence, shown in the performance of your game. Three Point Coaching exists for the growing generations' benefit, wanting to see and help the youth grow.

Super Mini Hoopers - a program for players aged 6-8 to develop or start their basketball journey providing a fun and inclusive Basketball experience.

About the coach - Genavieve Cusack. I have grown up a player, coach and referee in Myrtleford and am now wanting to help and provide basketball programs for youth. My goal is to offer basketball players an opportunity to extend their knowledge and skills to apply to their game. Being a coach, player and referee I understand basketball from all different aspects, and want to push players' capability levels to higher points we all know they can achieve. We offer players direction to achieve their never ending potential of learning and expanding their knowledge and skills.
