Dear parent/guardian,

Myrtleford P-12 is looking forward to another great year of teaching and learning and would like to advise you of **our** voluntary financial contributions for 2023.

Government schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions to Myrtleford P12 College are voluntary.

Our College Council is proud of the facilities and resources available for our students to enjoy. These facilities, resources and programs have been enhanced as a result of parent voluntary financial contributions. The ongoing support of our families ensures that our school can continue to offer the best possible education and support for our students.

The Myrtleford P-12 College Council want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this financial and in-kind support has allowed us to provide tickets for performances, host activity days, subsidise camps and excursions, provide free travel for some sporting events.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Zlatko Pear

Principal
