PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Myrtleford P-12 College, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Myrtleford P-12 College's grounds are supervised by school staff from 8:30am until 3:40pm. Outside of these hours, school staff will not be available to supervise students.

- Before School - bus duty supervisor monitors the playground
- Recess - Areas A, B and C
- Lunch - Areas A, B and C
- After School - bus duty

Parents and carers will be advised through a notification on our school website and regular reminders in our newsletter that they should not allow their children to attend Myrtleford P-12 College outside of these hours. Families are encouraged to contact our school for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the principal or nominee staff member will, as soon as practicable, follow up with the parent/carers to:

- advise of the supervision arrangements before school
- request that the parent/carers make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at Myrtleford P-12 College are expected to assist with yard duty supervision and will be included in the weekly roster.

The Principal Daily Organiser/Assistant Principal] is responsible for preparing and communicating the yard duty roster on a regular basis. At Myrtleford P-12 College, school staff will be designated a specific yard duty area to supervise.

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty.
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the closest staffroom

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in your school's *Student Engagement and Wellbeing* policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on EduSafe
- if being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Office Staff/Assistant Principals/Daily Organisation Co-ordinator with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Office Staff but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office/staffroom and not leave the designated area until a replacement staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member. if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact nearby staff/Assistant Principals and/or Office Staff for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

School activities, camps and excursions

The principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

Digital devices and virtual classroom

Myrtleford P-12 College follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Myrtleford P-12 College will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in nearby break-out areas where staff can maintain line of sight.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Workplace learning programs

When students are participating in workplace learning programs, such as work experience, school-based apprenticeships and traineeships, and structured workplace learning, the safety and welfare of the student is paramount. Organising staff are required to follow all applicable Department of Education and Training policies and guidelines in relation to off-site learning, including policy and guidelines on the safety and wellbeing of students. Refer to:

- [Structure Workplace Learning](#)
- [School Based Apprenticeships and Traineeships](#)
- [Work Experience](#)

Independent Study

Year 12 students only will have one study block of three sessions per week. This will be timetabled as a formal 'study hall' where teacher supervision and support will be provided, and attendance will be recorded by the supervising teacher. Students will not be permitted to leave school grounds during these sessions.
